celebrating HOME

The United Way of St. Charles is here to serve the people of St. Charles Parish. We're glad to be back **HOME** at our office in Luling! See inside for an update on how we're responding to the needs of our community.

"As a first responder for many years, I've known about United Way and what they do, but this was my first time being on the receiving end. The resources provided gave people hope, and not just hope, but real meals and somewhere to live. You get knocked down and pick yourself back up, but it's a lot easier when there are people like United Way to help you get back up."

SUPPORTING OUR OWN

Every day, our staff and Partner Agencies face new challenges head-on as caregivers and volunteers work to meet the diverse needs of clients. Over the past few years, we've dealt with disasters that have left an indelible mark – COVID, Ida, and the Killona / Montz tornado.

Now, we need to **stay prepared to help vulnerable community members** with the quiet disasters in everyday life – cancer, mental health challenges, poverty, hunger, and inflation. Thanks to the generosity of our donors, United Way responds to them all.

"When the volunteers from United Way showed up to fix my house, that was God's way of saying, 'I'm here. You are not alone, and you will recover from Hurricane Ida.' They are all part of my family now."

"After my husband passed away from cancer, I woke up one morning, and I had nothing to do and no purpose. Volunteering with the Matthew 25:35 Food Pantry has given me life again. I've always given to United Way, but this is the first time I've been able to see the impact firsthand. This has been an unbelievable blessing in my life."
